

**NEW ELECTRONIC EVIDENCE PROCEDURES FOR CONTESTED  
MOTIONS AND APPLICATIONS AND ADVERSARY PROCEEDINGS  
EFFECTIVELY IMMEDIATELY:**

**Presentation of all exhibits for contested motions and applications, etc. shall be accomplished through the Court's electronic display system (document camera).** Counsel, however, shall provide an original hard copy of each exhibit to be retained by the Court as part of the record. If counsel intends to present exhibits electronically from a laptop computer or use of other digital presentation devices then counsel must provide at least seven (7) days advance notice to the Courtroom Deputy to ensure security clearance, technical compatibility, and to arrange training on the use of the equipment. Courtroom equipment testing and setup of counsel-provided devices, are the responsibility of counsel, and should be completed prior to the hearing.

**Presentation of all exhibits for adversary proceedings shall be accomplished through the Court's electronic display system (document camera).** Counsel, however, shall provide an original hard copy of each exhibit to be retained by the Court as part of the record. If counsel intends to present exhibits electronically from a laptop computer or use of other digital presentation devices, then counsel must provide at least seven (7) days advance notice to the Courtroom Deputy to ensure security clearance, technical compatibility, and to arrange training on the use of the equipment. Courtroom equipment testing and setup of counsel-provided devices, are the responsibility of counsel, and should be completed prior to the trial.
