

### **Additional Review - Application for Compensation:**

- The certificate of service for an application for compensation in excess of \$1,000 must be served on all creditors. Fed. R. Bankr. P. 2002(a)(6).

An application for the no-look fee (currently \$3,500) does not need to be served on all creditors. The no-look fee application only needs to be served on the Debtor, the Chapter 13 Trustee and the UST.

- An application for additional chapter 13 post-confirmation fees must include an itemized statement. LBR 2016-1(c)(1)(C).

The itemized statement may either be in the body of the application or as a separate attachment.
